Dear Mr. Lee:

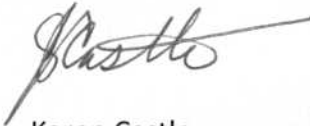

Congratulations! Your re-certification with the State of Arkansas has been processed and your business is recognized by the State of Arkansas as a Certified Minority Business Enterprise (CMBE) in compliance with Act 1222 of 2009.

If at any time there is a change in the status of your business affecting the ability to meet product demand, and/or a change of ownership, it is mandatory that you notify the Small and Minority Business Division and provide a notarized affidavit of such change. The notice and affidavit must be submitted within thirty (30) days of the occurrence of the change, and must include supporting documentation describing the nature of the changes in detail. A copy of the **Notice of Change** affidavit can be found at www.arkansasedc.com, **Divisions Tab, Small and Minority Business link**.

Act 1222 of 2009 requires the firm be reviewed for recertification each year from its anniversary date. The program also requires the firm's owner submit a **Recertification** affidavit regarding the firms' continued eligibility each year on its anniversary date. This affidavit can also be found at www.arkansasedc.com, **Divisions Tab, Small and Minority Business link**. The Small and Minority Business division will notify the firm approximately 30 days prior to their due date. Our staff will alert you when your renewal has been processed.

Again, congratulations on your accomplishment. If additional assistance is needed, please contact me at (501) 682-7782 or kcastle@arkansasedc.com. We wish you much continued success.

Sincerely,

Karen Castle
Project Consultant
Small and Minority Business Division
